JENNY WHITTLES LEAVES YESCAROLINA

After a great deal of anguish and soul searching, Jenny has made the decision to move on.

This is a real loss for YEScarolina as Jenny has done so much to further the cause of our mission. At the same time, however, her leaving makes me smile to think she has built her business to the point that it requires her to devote all her talents and energy towards her goal of becoming a thriving business. Jenny took our second NFTE training session at the College of Charleston in 2005. She has touched all of us in a special way, and I know you will join me in thanking her for all that she has done to make YEScarolina the best and to wish her the very best.
